“ Jim, Joe, Joanne,

Irene and I are so very sorry to hear of the passing of your mother. I guess they now have the foursome for the pinochle games in heaven now. I can remember so clearly all the Saturday nights spent at your house watching scary movies while the folks played cards in the kitchen until the wee hours of the morning. I also remember you guys coming to the cottage for the weekends, including one 4th of July when my mother decorated a tree in the backyard, and then my dad and your dad had to go to town late that night because you guys had to hang your stocking on the fireplace and of course no had thought that we kids wouldn't realize that Santa doesn't come for Xmas in July. Well this is truly the end of an Era. Your mom and mine were best friends all of their lives and now they are together again. We all loved her very much and she will be truly missed. Love you guys .

“ Jimmy, Jane, Joe, Shiena, & Joanie,

What really brings to mind are all of those Friday nite get togethers either at Murrie and Lucile's house or at Uncle Jim and Aunt Mary Lu's. Tom & I would drop in at times and really enjoyed the visits. It was a good way to unwind and start the weekend! Those memories will be in my heart forever!
