“ Rita always had a smile and a friendly word. She was a customer from the time we opened. But we considered her a friend as well. Prayers for a great lady! Leda and family!

“ Rita was a very special person. I loved her dearly and will miss her so much. Since we moved to Texas, most of our contact was by phone. She was always upbeat and positive even on her worst days. Our last visit last summer was special as we knew we would probably not see her again in this life. We will see you again in heaven Rita. You are loved.

“ My deepest sympathy to Mandy, Kennedy, Tanner and Carynn an the rest of Rita's family.

Rita was a true gem that will live long in many of our hearts. I have so many memories with her it's hard to put in to words. Rita and I worked together for over 25 years. We made each other birthday cakes, laughed together, cried together and shared stories of our children. Rita's spirit for loving life was truly to be admired.

One of my favorite memories is the sandwich she made for me when she lost a bet to me. She killed a bunch of boxelder bugs and put them between to slices of bread to bring to work for me. We laughed until we cried. I got her back by gathering up as many flying insects I could find around my outside light and put them in rice crispy treats to give to her. Rice crispy treats were one of her favorites. We had a lot of fun working together.

I will miss my friend and all of our laughs! I know Rita will live on forever in all of our hearts that knew her.

“ My deepest sympathy for the loss of your loved one. I had the pleasure of golfing with Rita numerous times on the ladies traveling golf outings. It was always a joy to get put on a team with her. I particularly remember the morning we we getting ready to golf and she was telling us all about the restaurant that her niece had purchased in Deer Grove had burned down in the early morning hours and how concerned she was. As we all were, especially because of the history behind the Happy Spot. God Bless you all knowing that she is at peace now. Linda Logan, Rock Falls
