“ Lori, Kirk and family
Sending my sympathy to you and your family. Your Mom was a lifelong dear friend to Mom, Maxine Long. I have wonderful memories of your mom and dad being great hosts at the neighborhood parties/cookouts at your house. Theo was always gracious and kind.
I hope knowing your Mom touched so many lives brings comfort during this difficult time. May your many memories be a blessing to you and your family.

“ Lori and Kirk,

I remember your mom so fondly. From the joint Princess birthday party Lori and I had, to the many sleepovers. She always made the best breakfasts!

She was such a good and dear friend to my mom (Maxine Long) for so many years. Their friendship meant the world to my mom.

I am sorry for your loss. May your many memories become blessings.

“ Lori and Kirk and family,
Patti and I always felt that your Mom and Dad set the standard for living an exemplary life. They both had a great sense of humor as when they invited us to dinner in their then-new south side Dixon home and laughingly noted they had disconnected their new blacktop driveway imbedded electrical snow/ice melt cables

because it made them dizzy watching the electricity meter dials spin indicating how much money this property enhancement was costing them. We feel privileged to have known them both and to have benefited from their support and friendship and innate kindness. Our sympathies to you all.

“ Dear Kirk & Lori,

Our parents were friends when we were little kids. Your mom is a kind soul that will keep on giving her kindness to us through her memory forever... I will never forget her compassion or spirit. She helped me through many things, just being herself. I'm sure I am not the only one that feels this way. So sorry for the loss of your mom, she is in your/our hearts and will not be forgotten. Thinking of you and your mom in heaven. Peace for you all.

“ Theo made this a better world because of the life she lived. She was a source of encouragement, sponsorship, love, devotion and happiness to all who knew her. She influenced me in positive ways, and with grace and love. She provided the same to so many others. Her impact on family, friends, the church, PEO, Heritage Square, and to the town of Dixon will remain. I can hear her laugh and feel the warmth of her smile as I write this note. To Kirk and Lori I send my condolences and pray that Theo's strength will continue to guide you in the days and years ahead.
