“ *God has looked around his garden
And found an empty place.
He then looked down upon
the earth,
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's Garden must be beautiful
He always takes the best.
He knew that you were suffering,
He knew you were in pain,
He knew that you would never
Get well on earth again.
He saw the road was getting rough,
And the hills were hard to climb,
So He closed your weary eyelids,
And whispered, "Peace be thine."
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.*

“ Even though me and duke had our differences i did love him like a dad. he's raised me since i was eight years old. He was a nice guy and my mom said he looked like mr Edwards from the little house in the praire that's why she liked him.
