“ *Aunt Alice was always a joy to see and be around. Not only would you see her walking around town, you would see her at every family event always with a smile and love in her heart. There are very few people who have experienced so much in her life, I pray for her wonderful family.*

“ *Aunt Alice was always such a positive person to see at family gatherings. She brought a smile to everyone's face and showed such strength of character. They don't make them like her any more. She will be missed.*
