“ Dear family,

*The entire Bill Freeberg family in CA extend our deepest sympathy to you all on Alice's passing. We remember her with love and send our heartfelt condolences.*

*~ Bill and Jan, Sheri and Fred, John and Kris, and Margo*

*p.s. from Margo – I have the dearest memory of Aunt Alice after my kidney transplant in 2007. She sent me regular cards for weeks during my recovery; sometimes with a stick of gum enclosed. Her thoughtfulness was so touching and comforting throughout my healing, I will never forget it.*

“ Dear Alice,  
I have so many wonderful memories of You.  
The One that I want you to know that is most important of all is that you were a terrific Mother to all your children!

You loved so fiercely and protected them with all your might. You showed me how a Mother's Love is like no other. When Ann was born you shared her by teaching me how to diaper her, hold her and sooth her when she cried. You did the same when Donna was born and also Denny.

I will never forget the times we shared together.

Thank You for being such a role model in my life. You will be forever missed and always remembered with Love and Affection!

God Bless You and May You Rest In Peace!
