“ Oh Alison. Sometimes life sure isn't fair! You were a sweet, kind, funny, loving, caring person. I remember seeing you next door to me at WIU and you looking familiar. When I realized I had seen you at Sauk, it felt like a little piece of home. I loved getting to know you, and Callie when she came to visit. We didn't talk often, but we did occasionally. I'm still in disbelief that you are gone. Your legacy continues on in your children. Love you Alison.

“ Alison was one of my best friends in high school - she was such a kind, friendly, and bubbly person! She loved to sing along with the songs on the radio ... while driving in my car, I remember having to decide really quickly if I wanted to listen to the song that came on or not before Alison started singing to it; and boy, was she quick - she seemed to know the words to every song; she could start singing before I even knew if it was a song I liked or not!! :) Alison was also the person who introduced me to my (now) husband at Plum Hollow many years ago - for that, I will always be grateful. Very sorry for your loss - my prayers are with you.

“ I worked with Alison at Sinnissippi Centers. Alison was one of the sweetest people that I have ever met. Her kindness, positiveness, and dedication will live on in the many hearts of those she touched. My heart goes out to her husband, her children and her family. She definitely will be missed, a true Angel on earth.

“ Alison was the first friend I met at Western. My mom stopped by her room on the way to mine and noticed how nice and organized it was. They had a great conversation too! My mom came to my room & said you should become friends with Alison. She’s so sweet!

“ Allison was always helpful in every respect. She remembered my son Justin and his mother and myself. It took a little time to get to know her, but once I was also known to her she was always asking how I was doing and how my son was so excited that day to see me. A very well respected and helpful person at Maybely that will be greatly missed by staff and especially residents of Maybely. Again, condolences on my families behalf. She will be greatly missed.

“ *So very sorry for all of you. We had not seen Alison in years. Talked to her at a birthday party at Kevin and Sam's. Talked for a long time. We had similar ideas about education today. She was just as sweet as she was as a little girl. Will keep you in my prayers during this very difficult time. Much love, Becky Schmitt*
