“ Grandam had a heart of gold, when it came to her family and friends and every one she meet was her friend. Playing in the back yard at Grandma and Grandpa's a was fun. The memory I will treasure is the sewing machine. Using the foot pedal to make it go.

“ Aunt Alma was very much loved. I liked her the first time I met her. Wendell had taken me to meet his family in August of 1968, soon after we were married. I enjoyed her stories of all the good times she and Uncle Roy had with Melvin and Doris Schmall.

Aunt Alma had a memory like no other person I know. On our many visits with her, she would retell events I had long forgotten.

Wendell and I will miss her very much. Our love to all.
