“ Dear Uncle George and family,

Aunt Anita was a very special beautiful lady! I will never forget one lonely Christmas when I was invited to your home up north. Aunt Anita and I had long conversations, and some tears about "life". She was willing to accept me into your family and for that I will always be grateful. The ride home was also an unforgettable experience; lots of icy roads but we made it. Uncle George, you are a good driver!

I will miss Aunt Anita but continue to keep her and all of you in my prayers.

*God bless you and lots of love,
Laura and Pete*

“ We offer our sincere condolences to George and his entire family. Enjoyed kibbiting with Anita when she shopped. She would always say, "Can we go a little faster here?" We will miss her.

“ *What can I say about Anita - Anita was the strongest, most willful, stubborn person I have ever met! Us mere mortals would have given up after only a couple of the obstacles that Anita faced. But, Anita faced these trials with pure grit and determination. We will miss you Anita but, Heaven greatly welcomes you!!!*
Always with Love,
Karen
