“ I am a nurse at Heritage Square and got to know Anne over the last 2 years. She was a very kind lady, I enjoyed visiting with her. She would win candy at bingo and would make sure and drop a candy bar off that she had won to me on the way back to her room every week. I then began to work in the upstairs part of Heritage square and she continued to bring me candy upstairs on bingo days making sure I got a little something from her, just in a small way to show her appreciation. She was very thoughtful. I will miss her, such a wonderful lady. Julie Cecchetti
