“ *So many stories to be told that it would be hard to pick a favorite. What a kind caring person Sis was. It did not matter what time of the night the Girls and I would come home she would get up with us and then she wanted to hear all about our fun night. There are many things to learn from her, slow down, be kind to all and always keep strong FAITH. You three Ladies should be so proud of yourself for being at her side everyday until her death. Blessings my Friends, Love Eileen*
