“ *I don't know where to begin. Barb was caring, goofy, fun, and loved life. Memories of Barb visiting Bill, the girls and I in La Crosse many times over the years. The boxes of Beanie Babies Barb sent the girls and the excitement they had on their faces when that box would arrive. Memories of visiting her and Gary in Illinois, now that was many years back. Her laugh; will never forget it and her love for the Green Bay Packers. Seriously I never knew anyone committed to a team like she was. Barb was a rock for my mom; Ike Houghtaling. They had a special aunt-niece relationship. I will miss her; it is sad to say good-bye. Barb I hope you have found peace and hope the reunion with family and friends who have preceded you in death in better than you ever expected.*
