I just learned of Barb's passing, a big shock for me! Barb was my best friend in Colorado . We worked together for years and partied for years. I always think of her and wonder what she was up to. She was one of a kind and a very big hearted. I will grieve for my friend and think of her often. I love you Barb and thanks for being my friend. I am so sorry for your loss Virginia you will be in my prayers. My hearts hurts. LOVE Susie Lodestein Nevada Ia.

Barb was there for my dad's passing, she was there when I was pregnant, she was there when I had Andrew, she was there for life changing events. She was the best. She was there when I got married but I won't hold that against her.All of my memories have come flooding back. I thank her for those. They say go to heaven for climate, and hell for the company. Love you Barb ... Susie
