“ *My grandmother was a very special lady whom I will miss very much. My life is so much richer having had her in my life for so long. I cherish the memories of overnight stays on her farm, the delicious things she cooked, the warm embraces I always knew I could get from her. She was there so faithfully when my parents needed her to care for my sister while my Mom and I made frequent hospital trips. She happily made room in her heart for all the wives and husbands who have married into the Miller family over the years. She loved her Lord and her family. Thank You God for my Grandma...we will see you again.*

“ *Berniece was such a sweet lady. I played cards with her for many years and never heard her say a bad word about anyone. I was just thinking of her the other day always a pleasant thought. Whenever I think of her I think of our card playing days. Our club consisted of Berniece, Linda Printz, Jean Imel, Lois Garman, Betty Pope, Mary Lynn Rothermel, Alice Pope and myself. Those were the good old days. After so many years she is finally back with Dave. What a great reunion. God bless her soul.*
