“ *I first knew Mrs. Kopp several years ago through Medical Arts (I was an ophthalmic assistant). When I saw her and if I had time, we would talk extensively about Germany. (My husband and I are of German descent, and wanted to keep our heritage alive for our children.) She had given me a few of her recipes...whenever I make them, I remember Mrs. Kopp and some of her stories. We also kept in touch with Christmas Cards. She was a wonderful person, and I will remember her fondly. Our thoughts and prayers are with you and your family. Debra Weir and family*

“ Maggie and Mike,
We were so sad to hear of Bertie's passing. She was such a sweet and caring person. She kept our dog Molly when we went on vacations. Our only fear was that Molly wouldn't want to come home with us when we got back. Bertie really knew how to spoil a dog. Please know that our thoughts and prayers are with you, and we'll never forget what good care she gave our "LITTLE DOGGIE".
With our deepest sympathy,
Rich, Bonnie and Heather Ryan
