“ *Dear Cari and Liane:*

We lived by you in Freeport, Illinois in the 1960's on McKinley St. We lived next door to you. I was at that time married to Jack Stahl. He died and I re-married so my last name is now D'Agostin. Our children were Mike and Karen. Your dad and my husband, Jack, started the trampoline business. Do you remember that. Your mother and I exchanged Christmas cards up until 2 years ago. I wondered what happened to her when I no longer heard from her. My sympathy to you both.
