“ I'm sorry I will be unable to attend Betty's visitation/funeral, as I'm out of the country now. I want you to know that it was a pleasure to work with her at WHA. I know that her greatest pleasure was her family. My deepest sympathy to her family. Sincerely, Roberta Vanderlin

“ I remember very happy days as small children when the Warner Girls all still lived in Dixon. Until Mary Ann and Eleanor moved to the farthest stretches of the earth as it seemed to a small child. After that the parties never seem to be the same. I will truly miss her.
