“ Bev and I had so many memories. It began at the singles dance at the Hoffman House in Rockford, IL. about 30 yrs ago. We were walking in at the same time and she asked me if she could walk in with me and that was the beginning of a wonderful friendship. We had so much fun going to dances. I will never forget her spontaneity. In her later years and mine too we were satisfied to just talk on the phone sometimes for over an hour. That's what I will miss the most just talking to her on the phone. Rest in peace Bev, you were a very special friend and person. Love, Cindie
