“ I began my career in education in 1962 and Bob was in a physical education/health class I taught. I have memories of Bob as a young boy being kind and considerate of others. Those characteristics followed him the rest of his life. My sympathy to those he leaves behind. Donald Hay

“ In high school I had the honor of knowing Bob. We would do things together and did spend many enjoyable years of friendship. When Deb & Bob got married I was at the wedding. So many wonderful years of love and laughter. The legacy he has left with children and grandchildren show the tribute of true love. I am forever grateful to have know him and have shared time with the family. I am certain that Bob is looking down and smiling at all of us knowing that there will be a time when we are all together again. Thought and prayers with the entire family.
