“ *Bonnie was a classmate at Dixon High School. She was always a kind and friendly person, full of light and delight in the people and world around her. She brightened many a day. Her life was clearly a blessing to many and may her memory be a comfort and a blessing to her family and to all she touched in her journey.*

Thank you for your kind words. I am just getting around to being able to read these so I am sorry for the lateness. I appreciate your sharing this.

“ I will always remember Bonnie as one of my neighborhood friend and fellow classmate at South Central school. I remember going to her house and everything was always perfect and so quiet since she was an only child. If I remember right, I think the family had a Cocker Spaniel dog?!

I last saw Bonnie at our 50th class reunion but am sorry to say I didn't get to talk to her. I know she was loved by so many people and will be missed.

My thoughts and prayers are with all her family.
