“ *Brad was my protector. He was always there when I needed him most. We were in a row boat going down the rock river. Brad and my neighbor Doug Jones jumped out, but I was too afraid. He came back and got me out. We were always getting into adventures when we were growing up, but I could always count on Brad to keep me safe.*

*Wonderful memories.
Rarely do we meet in life men as nice as Brad. He was a good man.
RIP Brad*
