“ *I have many special memories of Brad. He was one of the first people to befriend me back in 2007 when my new life began. He will always be my favorite Chicago Bears fan and football Sundays will never be the same without him. He always found a way to make me smile when I was having a bad day. There will never be a person that can replace him, as he was definitely one of a kind.*

*Rest in peace, Brad.*

*And to your family, I am truly sorry for your loss. He was a very good man.*

*Bless you.*
