“ Dear Caitlin,

I can't even begin to tell you how much I miss you right now...you were a talented, brilliant, amazing, funny girl. You were kind and selfless, and you touched so many people at Rock river. I remember you helped me up so many times from everything I went through at Rock River. You may be gone from this world now, but you will forever live on in my memory and in my heart. We all loved you, and you were a fantastic role model and leader on Suite 5. I will miss you forever, the terrific friend and roommate who /never/ gave up on anyone. I love you, Kate...I only wish that you're at peace now.

“ Dear Caitlin and Loved ones:
Words cannot express the sorrow and sympathy. I work overnights at Rock River but Caitlin would be awake often through the night just knitting away. She was talented and thoughtful as she knitted for so many. Her smile was heartwarming and contagious. We miss her so much. We love you, Caitlin. You are foreveer in our hearts.

With my deepest sympathy in the loss of your granddaughter. She and my granddaughter, Helen, were friends. Caitlin came on our boat to celebrate one of Helen's birthdays. We enjoyed her company. I'm so sorry for your loss.
