“ I was so sorry to see that Carol Ann passed away. I knew her when she was a little girl and lived at the Lee Center telephone office when I was a telephone operator. That was my first job out of high school and we became good friends. She would sometimes go home with me for the afternoon and then I would bring her home before their supper hour.. Occasionally I would take her to my Sunday School where I was a preschool teacher. She seemed to love that. Have not seen her for many years but will always remember my little friend. Prayers for all of the family. You brought back some beautiful memories.

“ My thoughts and prayers go out to all of Carol's family and friends she will be missed by so many. She truly was an amazing woman that accepted me into her home without even blinking an eye. She instantly became like another mom to me and I wouldn't trade it for the world, you couldn't ask for a better woman to have in your life. I will always be so grateful for all she did for us and all the time we got to spend with her. I will miss her dearly and will always remember the memories we shared together.
