“ I met Carol in grade-school and our friendship lasted through out life. I'll never forget all the fun we had during sleepovers at her house; what fond memories! Carol was always the life of the party, making us laugh with her wonderful sense of humor. Later in life we kept in touch through social media and emails. When I came to Illinois to visit family, we would try to get together with our high school friends once a year. Carol will be sorely missed by all who knew her. My sincere condolences go out to John and their entire family.

*Rest in eternal peace my friend. Love you, Janice Behrendt*

“ Love and thoughts to Carol's Family, especially John. I enjoyed the few summers that we spent with both Carol and John on "the Farm"...I wish it would have been more. A great memory was one of our first trips to Illinois, we were driving back from Galena and Carol belting out "Hotel California" by the Eagles with John backing her up...good times. Other memories include her dancing in the kitchen and laughing or showing us all the kitties on the Farm and telling us their names. I get to see Carol's sense of humor and kindness thru Garrett every day and I am grateful for the son she raised. May you Rest In Peace, Carol...you will be missed. Much love from Montana....
