“ Hi Family,

I want to express my thoughts. I love my sister very much. She was my standin mother, when our mother was so sick. She didn't have a childhood. for taking care of young children. She was a awesome cook, mother, and a friend. Each one of us must remember that Jesus died and rose so that we might have life ever lasting. We are instructed to ask for forgiveness, from God and then one another. My prayers are for all of you to love one another, and forgive one another.

That we might be a family in Heaven.

Love

Your Sister and Aunt
