“ Aunt Carolyn, you will be missed by so many people. I love that me and you had time together a few years back. It’s never too late to make a strong family bond. You are an inspiration to me and my family. My daughters always call you the “Other Grandma Jan.” I will continue to dress up Gladys the Goose and think of your sister each time I see her. May your family find peace during this difficult time.

With love,
Shannon and the Harris Family
