“ *We came to know and love Char when we worked together at Eldena School. We have great memories of the way she took care of all of the kids and staff. We got to know her in a different way during the past few years while my dad was a resident at Heritage Square. She cared for him as if he were her own dad. She loved all of her children and grandchildren and was so proud of all of you. Our deepest sympathy goes to you at this time. Love, John and Kathy Edmunds*

“ We were extremely saddened to hear of Char's passing. She did much good in the community. Always treated the less fortunate and elderly with dignity and respect. She had a good heart and will be missed by many.

Please accept our deepest sympathies.
