“ *Mom, It has been a year today since you left me to go be with Dad. Rarely a day goes by that I don't think about you. This past year has been the loneliest of my life and sometimes I wish I were there with you, but I know you want me to keep fighting and move forward. It certainly is not easy. Love you forever!*

“ *Mom, A year ago today you left me to be with Dad. Rarely a day has gone by in this past year that I have not been thinking about you. Sometimes I wish I were there with both of you. This has been the loneliest year of my life but I am trying to push forward each day as I know you would want me to do. Still loving you forever!*

“ *It's just not the same Christmas has passed without you. Spending Christmas alone without you made for a very lonely and empty house, but I could feel you looking down on me. Love you forever.*

“ Mom, Its now been two months and still think about you and miss you every day. Heaven has picked up another angel to work in the garden. I am reminded of this each day now as i see your tulips breaking ground in the backyard. God has another great one!

“ My deepest sympathy to the family of Charlene on her passing. I worked with Charlene at the City of Dixon. She was a kind, considerate lady who always had a smile on her face. She and her husband Rup loved coming to the Christmas parties held by the City and loved to dance. She will be missed by many.

“ I grew up in Frog Hollow with the Rupperts. As a kid, I knew Charlene as the Avon lady. She opened up her home to my mom and me any time we we needed to pick out a gift. 😇 She was a lovely woman who added charm to the neighborhood! Prayers to the family... 😊
