“ One of the first people to say Hi and welcome me to KSB when I first started working there 2 years ago was Chuck. I remember thinking how nice it was that he didn't even know me but wanted me to be at ease and feel welcome. He always had a greeting and a smile. He was a tremendous human being and will be greatly missed. Love and prayers for the Faley family during this time of tremendous loss.

“ When the girls had barbies laying out on the steps, Chuck would arrange them in funny ways, just to get a laugh from their friends, or see a funny look on their faces. This is just one of many many amazing memories of Chuck. May he rest in peace with no more pain. He will always be remembered as the kind hearted, most caring person that he always has been. You will be forever missed my friend!
