“ I have many lovely memories of you, Uncle Chuck, as so many of your family and friends do. My favorite was when I'd sit on your lap as a kid at family gatherings and you'd let me take sips of your beer. Sharing a beer with you while eating Aunt Dorothy's Christmas cookies were great times! Thank You.

You had lots of adventures and laughter in your life. And love. And you are missed. My heart is with you, Aunt Dorothy, your children, grandchildren, great-grandbabes, Dad, Esther and Nin. Cheers to you, Becky

“ So sorry to hear about Charlie. Our two families shared alot of good times together. You all have a special place in my heart and of coarse we have the memories. Sadly, we just lost dad(Hubert Jones) last friday to cancer. We found out in June he would be with us a few more months. I would like to think that they are catching up on old times right now in heaven. Imagine the stories they must be telling!!! My deepest Codolences to you all. Everyone is in my thoughts and prayers.
