“ *Maureen, I am so sorry for your loss. I lost my brother this week as well and while I know the pain is nothing compared to losing your spouse, I know of the pain you are feeling. I just wanted to let you know that my thoughts are with you and your family during this difficult time.*

“ How do I begin to express my heartfelt sympathy to you on the loss of Chuck. I know there are no words that can help you through this terrible time right now but know so many of us want to help and care so much for you and Teddy.

I know in my heart the love you and Chuck had for one another and that love can never waivre or die even through death.

I also know you are going to have some tough times ahead but let us help you through this because we understand what it is to lose someone you love so dearly.

I am only sorry I cannot make the visitation tonight as Dave is working 3-11 and I am committed to go to a wedding and babysit my granddaughter so parents can go on to the reception. I will be there in spirit and let me know when I can come over to just listen and be your friend

Much love,

Maureen Lenox

“ Dear Maureen:

Our thoughts and prayers are with you in this awful time for you. We certainly enjoyed Chuck when he came into the cleaners and had many, many laughs. We always teased each other, he being a Cardinal fan and me a Cub fan!! I will always remember those good times.

He was a good man with a good sense of humor.

May God Bless you now and in the days to come.

“ *I was an Area Operator at DeKalb when Chuck was promoted to Supervisor for Sub-Station Optg. He was in charge of the DeKalb area at that time and we worked together going over the various stations in the District. He asked if I would mind helping going over some of the odd situations that might arise, due to the fact that ComEd inherited the former Cilco Co. which had a number of stations that were somewhat different in operation than that of ComEd.*

Chuck was a great guy to work with, all be it a short time that he was involved with the DeKalb area. A truly great guy!

“ Our heartfelt sympathies go out to Maureen in her loss of Chuck. We may question why his death came so quick and still young. It may not be our will, but God's will be done. Chuck's life here on earth is done but he will live forever in God's eternal home.

Will always remember the times when we worked together at ComEd and the times spent just having fun.

“ Uncle Chuck -

I will miss you more than words can express. The fond memories I have will never fade. You have always been a special Uncle to me. My most recent memory was when we met in Philadelphia. I remember jumping into the cab with you and Aunt Maureen, going out for dinner, seeing the sights of the city and walking around Jewelers Row (your favorite part I'm sure). All of my favorite memories of Dixon, IL include you. I can vividly see pictures of me, you and my dad playing basketball at your house when I was no taller than your waist, sitting out on Grandpa Ryan's back porch, going out to breakfast with you and Aunt Maureen (to the place you get all of the hash browns at) and just hanging out playing with Teddy and laughing. I know you are in heaven looking down on all of us. The next time I pass a penny on the ground I will pick it up because I know my Uncle Chuck tossed it down.

Love,

Megan
