“ A memory of Charlotte is one time mom, me and David went with Charlotte and Paul to Chicago to the museums and aquarium. Charolette decided to slide down one of the long stair railings outside at the Shedd Aquarium. It shocked all of us kids that a mother would act up like a,l’d herself. That was “true Charlotte fashion”,always having fun.

My condolences are with the family, as you will miss you dear, sweet mother. ~Sherry (Staker) Cover

As a kid, my brothers and I spent many summer days “at the farm” hanging out with our cousins, Charlotte’s kids. There were so many kids between our two families, that when Charlotte wanted to call out one of our names, she would sometimes say several of our names before she hit on the one she really wanted to say. Aunt Charlotte would laugh at herself doing this. I will always remember her smile and laughter.

“ *My deepest condolences to Charlotte's children and to their families. I have many wonderful memories of Charlotte - from playing at her house when I was little; she and my mom enjoying a friendship for many, many years; Charlotte staying in touch with my dad after my mom died; her many kindnesses, warm smile, generous spirit, and easy laugh. Such a special lady. May your memories sustain you.*
