“ Even though I will have many many memories to have forever with this special lady. The one thing that Ill always remember is her huge heart she had for everyone. From someone she never met to everyone in her family. She always treated me as if I was one of her many loved ones. Ill cherish the memories I have with her forever. Thank you Charlotte for always being such an incredible person and huge influence in my adult life. I will miss you and our talks greatly. Love you always!

“ I was a neighbor of Aunt Charlotte all my growing up years and have kept in touch all the years after, I still have a cat statue that she gave me for my high school graduation, she knew I liked cats at that time. She was a very wonderful and kind lady, her and my mom Evalyn Hardy were friends for years and I'm sure all you Glenn kids remember our berry picking at Tom Potts all those summers when we were young. She will be missed in the neighborhood. Nettie Poulos
