“ *Tina is our Angel, a bright and shining Star. Tina's Love and memories will last forever in our hearts. We cherish our time together enjoying one another, sharing fun times, hopes, dreams and the cute things dogs do. Our Lord needed a young vibrant Angel in Heaven, reached out to Tina and enfolded her in His arms for a Loving, Eternal Life. Love, Dad and Linda*

“ *Tina and I shared an office at River Ridge. She was my "assistant ", my laughing buddy, my confidant and my friend. Her love for animals was surpassed by none. It was evident in everything she did. She was the best dog mom ever. As I look across my office at what will always be "Tina's desk", my eyes fill with tears. She was a very special lady. She will be greatly missed. Remembered forever. Loved much. I'll see you again someday, dearest Tina. Until then, your friend, Sheila*

“ Tina always told me when she saw a butterfly it was one of her beloved pets visiting her. When I see a butterfly now I will always remember you and the beautiful caring person that gave her heart and home to so many precious special animals. We Love you Deb Eade

“ My dear sweet Tina, my heart is aching for you. I never imagined my life without you in it. You weren't just my daughter, you were my friend and confidant. Our long talks helped me realize what a strong, loving, independent daughter I had, who made me proud of the woman you became. You were so strong and brave throughout this battle. I know you're at peace with our departed love ones and all of your loving furry friends. Until we can be together again, all my love Mom.

“ Tina was a loving, caring, and compassionate person. When I was an animal shelter manager, she was always helpful with breed rescue referrals and recommendations. Several times she helped me by acting as a “go-between” with the rescue and a time or two helped with rescue transport. Tina will always be remembered for her love of animals . I considered her a dear friend.

“ To lose Tina makes this world a lesser place when it comes to kindness, caring and the love of anything that pertained to a dog. I turned to her often when I wanted sound advice about my own little furry ones. I trusted her wisdom time and time again. She was always so helpful, her voice so bright she could telegraph her smile even on the phone. I was so proud to call her my friend. The world is a lesser place without her but a better place because of her. Godspeed beautiful soul. Alana

“ *As her brother , growing up with Tina was an adventure . Our stupid fights and breaking our parents belongings and then said (SHIT). Then coming together to find the glue to repair the objects we purposely threw at each other in sibling disagreements and found ourselves as ONE in this situation with the same purpose of realizing we having each other and know we can come together as brother and sister to fix the famous phrase of (what if mom and dad found out!) By having each other at that moment gave us a chance to protect each other from being grounded. All It took was a simple wink from each other to know we had out smarted them and went to bed knowing we were not alone. I will never stop winking at the ski, because I'm not going to stop sharing my mischievousness with her!*

“ *My friend, Tina. You always inspired me with you passion, love and advocacy for animals. You and Rich were the most beautiful couple that I was honored to know. I'm thinking of you and the fun we have had. I am hoping you are hugging your sweet pups now. I love you, Christy.*

“ My father, Herb Henning, met Christina at a few Schmidt family events and was very impressed with how friendly and kind she was to him. He also occasionally saw Christina at River Ridge Animal Hospital. Christina would take time to say hello to Herb's dog, Annie, when Annie was staying at River Ridge. Herb very much appreciated the extra attention Annie received. Herb sends his condolences to the entire Schmidt family for the loss of such a wonderful person.
