Tribute Wall

“ *Sitting at the skate park by my place. Wish you were here to celebrate our birthdays together. I can't believe it has been so long. I still feel like I could call you for anything & you'd be there. You would love it here. I wish you could have stayed long enough to see how much better life can be. I miss you. I promise, I will live right for both of us. In some way, I know that you are here now. I love you.* ”
