

Curtis Alan Holland

October 23, 1943 - March 29, 2022

Curtis Alan Holland age 78 of Dixon. On March 29, 2022 Curtis passed away comfortably and peacefully following a short illness. He was surrounded by family at Serenity Hospice and Home.

Curtis was born in 1943, in Dixon, the son of George and Mabel (Belcher) Holland. Curtis was employed at Dixon Public Schools as a middle school teacher until his retirement in 1997. He took pride in coaching football, basketball, volleyball and track at the junior high and high school level. During his retirement he enjoyed playing golf and cards with his buddies at the Club. Curt and his wife Carol enjoyed traveling to sunny and warm areas and spending time with family and friends at their Wisconsin home on Little Silver Lake. Curt also loved to go gambling, spent many hours watching sports and Netflix and giving his home health care workers a hard time, which was a particular favorite pastime over the last few years. He also wanted everyone to know that he was allergic to 2 things: cold and pain. Curt always made sure to call family and friends every year to sing Happy Birthday.

Curtis was preceded in death by his wife Carol, father, mother, and two brothers George Kirby Holland and Craig Holland. He is survived by two daughters, Christie Houck (Troy Spangler) of Dixon and Jennifer Andre of Arlington Heights. Along with 5 grandchildren, Hailey Houck (Matt Coffey) of Dixon, and Hillary (Jeremy) VanBuren of Scottsdale AZ and Abby, Kiley and Brooke Andre of Arlington Heights.

Visitation will be held on Monday, April 4th from 4:00pm-6:00pm at the Jones

Funeral Home in Dixon. A memorial has been established to the City of Dixon Police Department and Serenity Hospice and Home in Oregon Illinois.

“ *Great Coach And Teacher!*

“ *Curt and Carol were a team in everything. Losing Carol was so difficult for everyone and saying Goodbye to Curt is equally sad. We knew each other in our days at Illinois State where he and my husband, Dave, were good friends...even bowling together then! The fun continued throughout our lives. Even after my losing Dave and Curt losing Carol, we stayed in touch and always serenaded each other on our birthdays. I will miss that and so many other things about Curt. It was wonderful sharing the joy of the Cubs winning the World Series with him! He was a cherished friend and an important part of my life. I am grateful for the lovely daughters and granddaughters he enjoyed during his life and appreciate all they did to keep him “in the loop” and connected in every way. He knew he was loved and he shared boundless love in return. Curt was indeed one of a kind. A cherished friend who is missed, but who leaves great memories with all who knew him.*

“ *Mr. Holland was my 6th grade teacher. I also spent summers working for him in corn detassiling. He enjoyed making kids laugh, and because of that he brought a lot of joy to the classroom and corn field. Thinking of you, Jenni and Christie.*

“ *He was my teacher and coach at Jefferson and he was great at both endeavors. I will always remember him as a positive influence in my life. Dixon was fortunate to have him in their school system.*

“ *I was saddened to read of Curt's passing. My late wife and I bowled with Curt and Carol in the Sunday Couples League for many years and then I worked with Curt at DPS. His happy go lucky and carefree attitude made him a joy to be around. May you feel the comfort and love of our caring God at this time and in the days that follow.*

“ Very sorry to hear of the passing of one of my best friends in High School and all my life. His sense of humor always made me laugh and he and Carol were always there for comfort and a totally enjoyable time when we got together. We had a wonderful trip in 2015 with he and Carol to Panama. versions Also some truly enjoyable times at the lake house and visiting northern Wisconsin with them. My condolences to the entire family as I know he truly loved his girls and and his grandchildren. Will miss our conversations about the Cubs and Bears.

“ I cherish the memory of living with Uncle George, Aunt Mabel, Kirby and Curt for a while in my very early years. Also visits and holidays spent at their home or the home of our grandparents in Patoka. Our lives took different paths and we seldom saw one another over the past number of years. Again, I will cherish his memory and all the good times. Praying comfort for the family.
