“ I met Cindy when I had to go to Shepherd for 8th grade. She seen that I was really uncomfortable being in a new school, so she was the first person to take me under their wing. I just connected with her on Facebook and was hoping to be able to build that friendship again. I will miss her dearly.

“ I worked with Cindy and enjoyed her very much. I had cancer and was on leave. I had a hysterectomy and radiation. When I came back Cindy and I talked at length about my struggle with cancer and how I found the resources to pay for everything. I gave her some tips and she told me she had cancer. I moved to Canada in 2012 and missed seeing Cindy. She was a special person and she will be missed. Your family is in my thoughts and prayers.

“ I miss you my dear sister. If only we had more time. When I saw you laying peacefully with a little smile on your face and all the pain and stress was wiped clean, I knew you were finally at peace after a long period of misery. I didn't want you to go but I didn't want you to have to keep on suffering. I know you are with a whole family up there who welcomed you with open arms. I feel your gentle spirit around me all the time and that gives me joy. Till we meet again sis. I love you.

“ I have so many wonderful memories of my beloved Cousin Cindy... Playing at Grandma Drew’s farm, at the park near Mamaw’s apartment, fun times during your family vacations Miami, when we were growing up at my parents’ house, fun times at Earl and Rita’s, and the Petinia Festival, meeting Linda and seeing your home, at Beth’s baby shower, Sholders family sing a longs, Young Frankenstein laughs, and more recently, fireside chats after my Dad’s Celebratuon of Life! We loved your spunk, your sense of humor, your laugh, your tough Sholders’ family “kick fanny” style of courage, meeting the big C, head on, with strength, humor, and endurance! Another piece of our family’s fabric has been torn from the family quilt, but now turned into beautiful silk, adorning Heaven’s tapestry! We love you and we will miss you forever, sweet Cindy! We pray for your Mom, Linda, your faithful partner of so many years, and your siblings, Ken, Dan, Beth, and Brad , your families, and our clan! Fly high, girl, until we see you again!!
