“ I have known Dan for many years. The first time I remember seeing him was when my sister Judy started dating him. He had just got out of the service and was so handsome Judy fell in love with him and loved him unconditional. Dan was always a quite man so it was hard to get to know him

Personally. Dan and Judy have three children together Dusty, angie, and alyssa. these three were what Dan lived for after Judy's Death. When the grandkids came they made him very happy. He loved Judy , his children and grandchildren. Rest in peace Dan

“ Dan was my first crush. He was so handsome growing up an always protected me from my mean (lol) cousins. All the memories of being at the farm. I remember once Dan putting me on the floor of my moms station wagon because the other boys (Bill and Rick) were trying to get me to eat worms.
