“ I miss you my very close friend. We shared a lot of laughs together. Ill never forget the time we were all getting together for a Sunday dinner at Cathy's grandma( Nannys ) and you were asleep on the couch or atleast attempting to be. I looked over and caught you several times peeking to see if a certain girlfriend of yours was watching you . I knew all along you were just waiting for her to tell you go home and get some sleep. And she did. And funny thing was you never did go home. 😊 Say hello to my dad for me. And your dad bro..im sure ill see you soon.
