“ *David was one of a kind, I remember his laughter and good will, always trying to connect people with others, he will certainly be missed. We lived too far away to connect often but I always enjoyed the times when we did-last time at the Forest Inn!*

“ My condolences to all of Dave’s family and many friends. I have known Dave since I was a little neighborhood girl to Sandy. He had the coolest hot rod cars. Sandy took us to Bryon to watch him race. His speed shop was known to all in the area. How can we forget Uncle Charlie’s. Dave gave so much back to his community. God Bless and Godspeed.

“ Dave was always so supportive of St. Mary Elementary and Jr. High, where his children and some of his grandchildren attended school. Dave still checked in to see if the school needed anything after they were all adults. During the building renovation, he was our window guy. During COVID, he made partitions and organized volunteers to install the air conditioners. The gifts of kindness continued. He certainly lived his faith, doing for others. Sincere condolences. May his soul rest in eternal peace. Jean and Steve Spohn
