“ Sorry to learn of Dave's death. Though I knew him only casually and from regular but occasional contacts years ago before I moved away, I always recall (and miss) his slow, easy smile when our paths crossed and the accompanying friendly "Hi" with which Dave ALWAYS greeted me. Like our mutual acquaintance Dave Higgs who passed away a year or so ago, Dave just naturally knew the positive power of a smile and he readily shared his with all he encountered in day-to-day living. He (and Dave) taught us all a great life lesson in this regard.
