“ *Dean was one of the most wonderful men I knew. He was so generous, kind, and worked so hard and never complained. He would bring treats to us at the gate at Woodhaven or ask if we needed anything like ice cream from Dairy Delite as he would drive up and get it for us. He was not only a friend to me but my wonderful cousin always smiling and having a minute to ask how we were doing. I will always miss him coming through the gate almost everyday during mowing season. Dean we will all miss you. With my deepest sympathy to Sue, Joey and Rob's family. Love you all Judy Althaus*

“ We are so sad to hear of Deano's passing. There isn't enough wall space to tribute to him. He was one of the first people who welcomed us to Sublette and I have never met a more caring, compassionate or selfless person in my life. He was a very important person to the community and a friend to so many. He will be missed forever by so many.

“ We are so sadden to hear this news. Dino was more than our landscaper at Woodhaven Lakes. He was like a family member. I met Dino over 15 years ago and he would making sure our place looked amazing before we arrived for the weekend. We celebrated his Birthday and he loved my pasta.
What a wondering man and he will be deeply missed by my family
Our deepest sympathy to Dynos family
