“ I knew Debbie when we were kids. She was always a sweet and kind girl. We had many fun times on family vacations. Time passed and I lost track of her.

My mom said that Debbie's husband was the love of her life. They adored each other. When he passed, it was very difficult for her and I'm not sure she ever fully recovered. I'm very sad to hear that she passed.

Godspeed Debbie, I know your Mick is waiting for you.
