“ *Leroy has always been one of my Dad's best friends. I remember when Dad would be working on something he would often say "I think I'll ask Leroy about this." Sometimes as a kid I would ask to ride along just to go over and stand in the garage with them as they talked. They didn't pay any attention to me. It was just fun being with my Dad and his buddy. And it wasn't that long ago that Dad was working on something and he said he would stop and ask Leroy about it on Wednesday when he was in Amboy. Dad, like Leroy, can make or fix about anything. He has always had a deep respect for Leroy's abilities, and so, I grew up with that same respect for him. Some people leave this world, and are rarely missed by anyone. Leroy has the honor of being one who will be greatly missed by many.*
