“ My Brother was one of the kindest and gentlest people I ever knew, he wasn't like the rest of the world he lived in his own little world and he was happy about it. I only regret not making it back to Dixon more often to visit him. He will always be in my heart as he has been this entire time. I will miss him very much and I know we will be together again one day. may he rest in peace now in gods arms.
