“ *Denny was a well loved and respected member of the Amboy High School Class of 1969 and will be sorely missed. Our fathers were both volunteer members of the Amboy Fire Department and I will never forget the time that I, Denny and four or five other sons of the AFD members were asked to "perform" in the pre-show entertainment prior to their annual Firemen's Ball held each year for many years at the old high school. We were all dressed as 1920s Flapper girls and danced the Charleston on stage to the delight and uproarious laughter of the audience. My thoughts and prayers are with Brooke and family.*

“ Sadly, I have not seen Denny for many years. However, he will forever be the prominent friend of my formative years that led me to be the man I grew up to be.

“ I remember Dennis at school. He was a big teddy bear and friend to my brother, Mark. The Weidman family was close to my family at school and at the Amboy Lutheran Church. Good memories from those days. Sending love and warm memories to the family! Jan Smith.
