“ *I have so many memories of this wonderful lady. Dearest Dianna I thank you for all the joy you brought into my life. I admired your dedication, grit, and passion. Even if you were wrong, you were adamant that you weren't and have me half believing it. You dove into everything and pushed me to be the best I could be. For your love, prayers, hard work, laughter and tears, I have missed you. I will continue to feel your presence in my prayers, in my joy and in my sorrow. A true friend found in the Accounting Department of the Snyder Companies, as I reflect at your passing, I would not trade those memories for any reason. Thank you for your compassion as you helped me in my journey in the Catholic faith. You are in his care and I am sure he is overjoyed to have you home. I love you dear woman.*
