“ To think of a memory is hard, for I'm filled with memories of the whole family. Donna never changed she was a kind and gentle soul as long as I knew her. I never once heard her say a bad word about anyone. She always made you feel at home. When we were first married Don and Donna would visit us in Oregon to see how we were doing. We really enjoyed those visits. Don and Donna raised some great kids, sometimes that is a legacy. Kirby who I still miss, Dennis of course who I have a lifetime of memories from 6th grade to LA and New Jersey and a lot of adventures in between no greater friend. Steve we didn't do to bad together either. Greg the only person who beat me at hockey. Yes Greg if you don't remember I do. Deb I hope you remember me you were kind of young, and Donny was always a good boy. Steve, Greg And Deb you had a great mother Our sympathy and love goes out to you. I can't wait till we are all reunited .
Where- He shall wipe away their tears.
And they shall mourn no more.

“ Donna was very special to me. She was always there when I needed to talk to someone. I always hung around her house to visit and get away. Loved listening to her laughter and smile. She was a loving person and I will never forget that. She will always and forever remain in my heart.
