“ My thoughts and prayers to my buddy Denise as she endures this difficult time. Hold tight to your memories of your brother as he truly did love you even when you two did not always agree. He was a good guy and will be missed by many (especially you). Know I am always in your corner.

Also, to Shirley and the kids my thoughts and prayers are also with you. Treasure all the memories you shared with Donnie and the love he was always so willing to give.

RIP Dear Donnie.
